

DOOLEY TACKABERRY

Quality Fire Detection and Suppression Systems Since 1926.

System Design

- Water Mist
- Foam and Deluge
- Clean Agents
- Fire & Gas Panels
- Dry Chemical

Fire Protection Engineering

- Piping Hydraulic Calculations
- Fire Water System Surveys
- Structural Load Analysis
- Wind and Seismic Loading Considerations
- Power Consumption Calculations

Custom Fabrication

- Fire Hydrants
- Breathing Air Systems
- Fire Pump Packages
- Deluge Skid Packages
- Foam Skid Packages
- Fire Water Hose Reels
- CO2 and Clean Agent Skids
- AFFF Hose Reel Stations
- Helideck Foams Systems
- HF Mitigation Systems
- Remote Controlled Monitors
- U.L. Listed Fire and Gas Panels
